

The **Société d'histoire de Rawdon** was born out of an initiative of a small group of people who undertook, in November 2021, to translate the Rawdonhistory.com website from English to French. Eager to pursue its efforts, the group initiated, in May 2022, a research program on the history of Rawdon. The program has focused on Rawdon's numerous cultural communities and led to the development of a website (www.histoirederawdon.ca). Members of the Société meet virtually every month to report on the progress of their work. On January 11, 2023, the Société was incorporated as a non-profit organization.

Objectives

The Société d'histoire de Rawdon's objectives are to research, document, promote and preserve the history of the municipality of Rawdon.
